CRUISING

41 Botanical Garden 9
Trg Marka Marulića (Botanički
Vrt) Info: Eastern part of the park,
around the small lake. Garden is
closed on Mondays. Also southern
area of the garden and around the
toilet. Not crowded, but still visited
by gays. Entrance is free of charge.

Maksimirk park Bukovačka
street / Maksimirska street Info:
Maksimirk is huge peaceful wooded
park in the eastern part of the town,
with alleys, lawns, artificial lakes.
Gay meeting point is on the south-
western entrance in the park, from
Bukovačka street and Prilesje street.
There is a roundabout on the cross-
ing of Bukovačka street and Priles-
je and Petrova street. Walk straight
to the Prilesje street, after restaurant
on the left side there will be some
parking. Opposite you will find the
entrance to the park. As you enter
turn first to the right in long pine
tree path. Mostly at night, some-
time deep after midnight. Caution!

**Always be careful at places
like outdoor cruising areas!**

Jarun Lake Info: There is an
official mixed naturist beach visited by
many gays. Opposite of the beach,
across the small roller's/biker's road)
is also a cruising area that works
through the day and night. There is
also an island with a small nudist be-
ach, also visited by straights. If you're
looking for more straightforward ac-
tion, you should visit the island across
the nudist beach - its forest, bushes
and south beaches are known as
Zagreb's prime place for open-sky
fornicating, regardless of orientation
;) Prime gay spot is the south-eastern
forest. The island's name is Otok hr-
vatske mladeži (The island of Croati-
an youth). You can enter the island
by crossing the bridge at its eastern
end. If you're at the nudist beach, just
follow the roller's/biker's road about
1 km towards east, and then at the
crossroads keep on going straight
ahead. The „gay forest“ is on your
left as soon as you cross the bridge.

42 Zrinjevac park Trg Kralja
Tomislava (King Tomislav square)
Info: South-eastern part of the park,
the walking path from the monument
of King Tomislav (man on the horse)
along the way to the first street (Pav-
la Hatza). Cruising is around Art
pavilion and the southern part of
the Trg Josipa Jurja Strossmayera (J.
J. Strossmayer square) across Art
pavilion. Area around monument
The Wall of Crying is full of bushes
and also busy at night.

**Always be careful at places
like outdoor cruising areas!**
